OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 28 September 1978

1. (Unclassified - ELS) LIAISON At his request, I gave Jim Bush, House Permanent Select Committee on Intelligence staff, a tentative plan for a trip by Representative Bill D. Burlison (D., Mo.) to begin on 11 December 1978.

✓ 2. (Unclassified - MG) LIAISON Per his request of 26 September, sent to Dennis Miller, House Government Operations Committee staff, a copy of the unclassified publication entitled "USSR: Development of the Gas Industry."

3. (Unclassified - RJK) LIAISON Received a call from Jon Holstine, House International Relations Committee staff, who requested the address of former Deputy Director Lieutenant General Vernon A. Walters (USARET). I obtained the information and called him back to provide it.

4. (Unclassified - RJK) LIAISON Called Fred Ward of the Alderson Reporting Company, to determine when he planned to complete the transcript of the House Armed Services Committee briefing on 27 September 1978. He indicated that it would be typed beginning Monday, 2 October 1978, at 10:30 a.m. at the Alderson Reporting Company. Office of Security will accompany the tape throughout.

STAT 5. (Unclassified - RJK) LIAISON Spoke with Rick Rolf, staff of Senator Mark Hatfield (R., Oreg.), concerning his earlier request for information on Cambodia import and export policies. I indicated to Mr. Rolf as an exception to our normal policy I will request an analyst, [REDACTED], to call him directly regarding his request for information. I reminded Mr. Rolf should he have further requests the Office of Legislative Counsel will be happy to help him.

STAT 6. (Unclassified - RJK) LIAISON Spoke with Leona Yourishin, on the staff of Representative Daniel Flood (D., Pa.), about the letter which the Congressman has sent to us on behalf of

✓ 12. [] LIAISON Sent a copy of the Agency publication entitled "Free World Steel Market: Supply/Demand Prospects Through 1985" to Mike Hodin, in the office of Senator Daniel Moynihan (D., N.Y.), per his request.

13. [] LIAISON Advised Lefty Anderson, House Appropriations Surveys and Investigations Staff, that we would be happy to detail, on a reimbursable basis, an individual to the Staff for five to six months. I recommended he call [] Office of Finance, in order to be sure that the individual we nominate has the skills and background needed. Anderson appreciated our favorable response and will follow through with [] and will then initiate the appropriate formal correspondence.

14. [] LEGISLATION Spoke with Tim Ingram, Staff Director, House Government Operations, Subcommittee on Government Information and Individual Rights, to inquire as to the status of H.R. 13500, the House version of the "Presidential Papers" legislation. Mr. Ingram said the House version is still tied up in the House Committee on House Administration, and it is doubtful that it will be passed during the 95th Congress.

15. [] BRIEFING Accompanied [] Chief, Theater Forces Division, OSR, NFAC, to brief Chairman Charles Rose (D., N. Car.), Subcommittee on Evaluation, House Permanent Select Committee on Intelligence, on a DDO report regarding the Warsaw Pact. However, this briefing was called off by Richard Giza, of the Committee staff, shortly prior to our arrival at Capitol Hill.

16. [] LIAISON Saw Dick Anderson, House Permanent Select Committee on Intelligence staff, and based on input provided to me by Tony Lapham, General Counsel, provided him with some background on a definition of "sensitive" operations referred to in Executive Order 12036. One outstanding question is to determine the process that is currently in being for briefing the SCC on "sensitive" operations.

Mr. Anderson requested a briefing for Loch Johnson, of the staff, and himself on DDO recruitment of CIA staff employees on university campuses. I have passed this request on to Don Gregg, PCS/LOC.

23. (Internal Use Only - GMC) LIAISON Called Paul O'Connell, on the staff of the Morgan-Schmitt Senate Select Committee on Ethics Subcommittee, to tell him that I had received his letter asking for additional information related to the Subcommittee's investigation of the Senate Select Committee on Intelligence oil study leak. I told O'Connell that it appeared that considerable research might be required to answer the Subcommittee's latest questions and that it might take a week or so to come up with the answers which the Subcommittee sought. I told O'Connell that I would forward the letter to the National Foreign Assessment Center so that it could begin working on the Subcommittee's request and that I would be back in touch with him the following week.

24. (Internal Use Only - GMC) LIAISON Called Mike Glennon, Legal Counsel, Senate Foreign Relations Committee, to confirm that his meeting with the A/DDO was scheduled for Wednesday, 4 October 1978, at 2:00 p.m. at Headquarters. Glennon said that he preferred to delay interviews with other DDO officers on several foreign intelligence services until after he had met with the A/DDO.
